## Procedure for NO SHOW Students 2010/2011 – From Terri Field on 8/10/10

As a reminder, please process No Shows using the process below for uniformity within the district.

If you were informed a student will not be returning this year and they left the district over the summer, how do you enter the exit code and leave date? What is the procedure to use?

1. In this year's 2010/2011 Aeries Database treat as a NO SHOW - Student Data

**A.** Enter leave date of last day of the prior school year - **6/23/10**.

**B**. Tag as an **"N"** No Show. The Pop Up No Show Options will display. Select the Summer Withdrawal Reason (if unknown - K-6 – **450** or 7-12 – **420**, you'll change it when you determine where student moved when transcripts requested.) and populate the Leave date as **6/23/10**. This information will display on the **Student Data 3 screen**. Verify it posts and displays on the Student Data 3 screen under Summer Withdrawal reason. (See screens below)

**C.** Attendance 1. is not active yet so you don't need to do anything there.

- **D**. If you have the information on where they moved, district, etc., please enter that information in the record access log screen (Misc button).
- **2.** If a student **NEVER** attended IUSD, delete the student record.

If you have any questions feel free to contact Terri, Operations, or Robbi. Thank you.
