## CONTRIBUTION TO THE IRVINE EMPLOYEE EMERGENCY FUND

The Irvine Employee Emergency Fund (IEEF) was founded in 1991 after an IUSD employee was severely injured in a motorcycle accident. District employees wanted to contribute financially toward his rehabilitation and IEEF was formed. Not only was the short-term goal for one employee met but, through on-going payroll deductions, long-range goals were established to assist IUSD employees in the future. Grants have been awarded for catastrophic loss of home/property, natural disasters, one-time medical emergencies, accidents, and/or loss of income.

Irvine Public Schools Foundation (IPSF) has fiduciary responsibility of the funds and the IEEF committee has the responsibility to oversee the grant/loan application process. Committee members are representatives from the Irvine Teachers Association (ITA), Irvine Administrators Association (IAA), California School Employees Association (CSEA), and Irvine Administrative Assistants to the Principals (IAAP).

Grant applications are available from representatives of the above associations.

A contribution may be made directly to IPSF designating IEEF:

Irvine Public Schools Foundation 18852 MacArthur Boulevard, Suite 200 Irvine, CA 92612

Contributions may also be made through a ten-month payroll deduction with IUSD. To enroll in the tenmonth payroll deduction plan, please complete this form and send it to Attention: Supervisor/Payroll Department.

I would like to contribute to the Irvine Employee F	und through a ten-month payroll deduction.
Amount to be deducted each month for IEEF:	\$
