

Aeries.net Student Information System Intro to Aeries.Net

The **Aeries.Net** is an application accessed through a web browser that can be utilized to update or display school data in an **Aeries** database. **Aeries.Net** can be setup and accessed from any PC that has access to the Internet. The user **must** be setup with a user name and password by the **System Administrator** at the school district in order to have access to the system.

To Access Aeries.Net

The following is the **Aeries.Net** sign in screen. To access **Aeries.Net**, type the name of the user into the **User Name** field and press **Tab**. Type the password that has been assigned in the **Password** field. When the **User Name** and **Password** have been entered the **Database** and **Year** fields will now be accessible. Select the **Database** and **Year** and click the mouse on the **Login** button.

The screenshot shows the login interface for Aeries.net. At the top, it says "Welcome to Aeries.net". Below this are four input fields: "User Name:" with the text "lori", "Password:" with four dots, "Database:" with a dropdown menu showing "Eagle USD (SqlSvr2005)", and "Year:" with a dropdown menu showing "2009-2010". A "LOGIN" button is centered below these fields. In the bottom left corner, there is a logo for "Eagle Software" and the word "aeries" in a stylized font.

The **School** field will now be accessible and the drop down will display the schools that the **User Name** has permissions to access. Click the mouse on the **drop down** arrow to the right of the **School** field and to select a school. Click the mouse on the **Continue** button.

The **Aeries.Net** home page will display with the Year and School selected at the top of the screen. The left side of the page will display a Navigation tree that will help you move throughout the Aeries data.

The middle section of the screen will display **Attendance Summaries** for today, as well as previous days. The right side of the screen will display an **Events Calendar**. Various other options will also display, such as the Clock, Weather and Fish Bowl.

	Today 07/07/2010	Prior Day 07/06/2010	2 Days Prior 07/02/2010
Enr - Total	1817	1817	1817

Absent	0 0.00%	0 0.00%	0 0.00%
Tardy	0	0	0

The cursor at the right hand side of the screen as well as the bottom will allow you to view various options that may not fully display on the screen due to the screen size.

Re-Arranging the Aeries.Net Home Page

The **Aeries.Net** home page may not display all options on the screen due to your screen size. However, the screen can be re-arranged. **Drag** the mouse over to the option to move.

The screenshot shows the Aeries.Net interface for Screaming Eagle High School. On the left is a navigation menu. The main content area contains an 'Attendance Summary' table and an 'Events Calendar' for July 2010. A mouse cursor is pointing at the top of the Events Calendar widget.

Attendance Summary			
	Today 07/07/2010	Prior Day 07/06/2010	2 Days Prior 07/02/2010

Absent	0 0.00%	0 0.00%	0 0.00%
Tardy	0	0	0

Click the **left side** of the mouse and **hold**. Drag the option over to the new area on the screen.

The screenshot shows the 'Events Calendar' widget being dragged. It is now positioned above the 'My Tasks' widget, which is partially obscured. The 'Attendance Summary' table remains in its original position.

Release the mouse and the option will now display in the new area selected.

The screenshot shows the final layout after the widget has been moved. The 'Events Calendar' widget is now positioned below the 'Attendance Summary' table. The 'My Tasks' widget is now empty and has a text input field and an 'Add' button.

Utilizing the Navigation Tree

On the left side of the form a **Navigation** tree will display that allows easy access to the school data. To expand the different nodes drag the mouse over to the + plus sign and click the mouse. The node will expand and all available data nodes will display. For example below, the **Student Data** list has expanded and all additional student data nodes now display. To collapse the **Student Data** node drag the mouse over to the – minus sign and click the mouse.

The **Navigation** tree can also collapse to a button on the side of the screen instead of displaying the tree. Click the mouse on the **Thumb Tack** on the right hand side.

A **Navigation** button will now display on the left side of the screen.

Attendance Summary			
	Today 07/07/2010	Prior Day 07/06/2010	2 Days Prior 07/02/2010

Absent	0 0.00%	0 0.00%	0 0.00%
Tardy	0	0	0

When you drag the mouse over the **Navigation** bar the **Navigation** tree will display.

Drag the mouse over to the selected node and click the mouse and the **Navigation** tree will expand, for example on the **Student Data** node.

Using the Student Search Node

The **Student Search** node is a search engine. A student can be located by entering the complete student name, the student's last name, first couple letters of the student's last name or first letter to locate all students starting with that letter. After the name has been entered click the mouse on the **GO** button or press **Enter** and student's meeting this criteria will display.

The image shows three overlapping screenshots of the Student Search interface. Each window has a search input field and a 'Go' button. The first window shows results for 'abdo', the second for 'ab', and the third for 'a'. Each window displays a table with columns for StuNum, Last Name, First Name, Middle, Grd, and Sex.

5262	Abbotte	Allen	A	12	F	7545882		11/28

To expand the **Student Search** engine drag the mouse to the bottom right hand corner.

Click and hold the mouse. Drag the corner to expand the **Search Engine** until all information is viewed. Release the mouse.

To select a student drag the mouse down to the student and a green bar will display. Click the mouse.

Student Data Node

The **Navigation** tree provides a large number of nodes that allow you to view various data. The **Student Data** node can be expanded to display additional nodes. After a student has been selected in the **Student Search** engine clicking the mouse on a specific **Student Data** node will display any data available for this student.

Demographics

To display student demographics click the mouse on the **Demographics** node. The following screen will display with the demographic information for the student selected.

The screenshot shows the Aeries.net interface for a student's demographics. The student's name is Alan Abbott, ID 2880. The page is divided into several sections: Personal Information, Address, Parent/Guardian, Counselor, and Test Results. The status is 'Active'.
