HOW TO FIND STUDENT ADDRESS HISTORY

STUDENT TRANSFER REQUEST

Our 'Operations Student Transfer Request Form' has been updated and can be accessed here: <https://forms.iusd.org/Lists/StudentTransferRequest/MyRequests.aspx>

- All TK schools have been removed from the 'Choose Schools' list as they no longer are in a separate database with a separate school code. You will choose the Elementary School. The TK grade level continues to be a choice under 'Current Grade'.
- In preparation for pre-enrolled students, a new field has been added to indicate if the transfer will be for the current school year or pre-enrolled for the next school year:

The transfer is for: *

Current school year

Current school year ▼

Current school year

Pre-enrolled next school year

Please feel free to pass this on to any other staff members at your sites who request student transfers.
