

Irvine Unified School District
McKinney-Vento Homeless Assistance Act
Confidential Enrollment Form

The McKinney-Vento Act defines the term "homeless children and youth" as individuals who lack a fixed, regular and adequate night time residence. Students and families that are doubled up with other families due to economic hardship, living in shelters, motels or vehicles may qualify for services. We may offer help with school supplies and connecting families with resources in our community. These services are in response to federal legislation which is designed to provide educational services and protect the educational rights of students considered homeless. This form assists school personnel in complying with the legal guidelines for school enrollment for children who meet the eligible criteria for services.
