

Status Codes for Special Education

Active
<u>A</u> ssessment in Progress
<u>D</u> id Not Qualify for Special Ed
<u>I</u> nactive
<u>N</u> o Show
<u>W</u> eb Enrolled

Regardless of Special Education status, parents have chosen to enroll their child in attendance at your school site.

Parents have completed registration and proven residency. Student is being tested prior to starting school:

- 1—so we can place them appropriately
- 2—so they can decide whether to enroll

We have determined that the student does not qualify for Special Education. The parents have chosen not to enroll their child in attendance with IUSD.

Student Data > Programs > Special Education

The information on the Special Education screen can not be edited in Aeries. This information comes directly from SEIS as the systems sync overnight. If you have questions about any of this information, please ask your Psychologist, SLP, or Ed Specialist for clarification.

Exiting Students

Please notify your Psychologist, Ed Specialist, or Barbera Verrette x5233 if a student is leaving the district and they are in the **Special Ed** program.
